Blessed Sacrament Parish School Diocese of San Diego

Grade-Level Expectancies Grade 2

Blessed Sacrament Parish School

is a Catholic family of parents, educators, clergy, and parishioners united in Christ's love to educate our children. We believe that we are an integral part of the Church's mission to proclaim the Gospel and to build a foundation of faith through worship and service. We promote Christian values, spiritual growth, academic excellence and physical development and support the learning styles of each student.

Blessed Sacrament Parish School strives to develop responsible global citizens who: treat others with respect; work and play cooperatively; think critically, listen attentively, speak confidently; know how to find answers and desire to learn more. We recognize and celebrate our diversity and share our talents in support of one another, our parish and our community
