

Philosophy

The purpose of the After School Sports Program is to teach and exemplify the basic human and Christian values of sportsmanship, cooperation, and teamwork. The goals are to help foster friendships, provide leadership opportunities and help the students develop a positive attitude toward sports and athletic competition. BSPS's After School Sports Program is not a "win at all costs" program. It is expected that every boy and girl be given the opportunity to play in each game during each season. It is in the playing that they will learn and improve.

\* *Questions or concerning please contact the Athletic Director.*
